

# Angel Workshop

with Master Nona Castro

OTTAWA

September 5th, 2015

Saturday 10am-6pm

Spend a day with Master Nona Castro and deepen your understanding of the angelic realm.

Master Nona is a direct disciple of Grand Master Choa Kok Sui, a Master Pranic Healer, and a Senior Instructor of MCKS Higher Pranic Healing & Arhatic Yoga courses.

Learn about:

Nature Spirits and the Three Kingdoms of Nature (Human, Elemental, Angelic)

The Angelic Kingdom and the Hierarchy of Angels - their Functions and Offices

The many ways the Hierarchy of Angels helps us

How we can work with the Angelic Realm for healing and to improve our lives, our environment, our world

Experience the beautiful Archangels Meditation and be aware of the powerful presence of Archangels Ariel, Raphael, Michael, and Gabriel for healing, help, and protection

***Prerequisite: Basic Pranic Healing (or a serious interest in esoteric studies)***

**Fees:**

Before July 20th: \$175

After July 20th: \$200

After August 20th: \$225

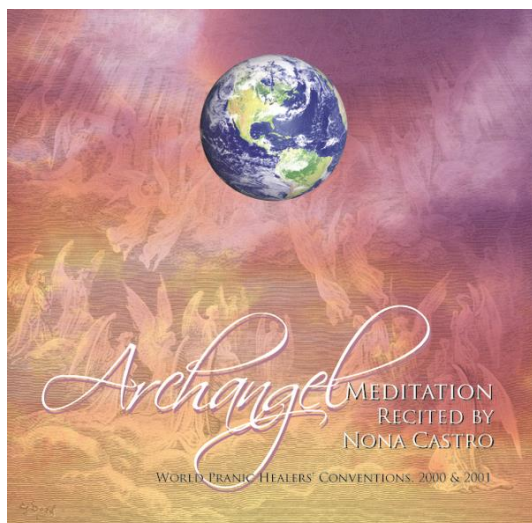

\*Includes HST

"Our work begins in this realm with a passion that you cannot imagine. We have an ocean of knowledge, information, poetry, images, and wisdom to convey, to help the dilemma of your culture and people on your planet. It is our reason for existence. The angels are here. Their reason for existence is to love and to keep loving."

~ Interview with an Angel. Steven J Thayer
